COMMUNICATION
Establish more effective communication & interaction between school, parents & community so that:

- Parents have a better understanding of the Site Improvement Plan and how it relates to student learning
- All parents whose children receive extra support are informed and involved
- The Parent & Student Surveys show improvement in the % Agreement in the areas of opportunities for parental involvement in the school and knowledge of what students are learning.

VALUES:
Care & Compassion, Respect, Honesty and Trustworthiness, Responsibility

OUR VISION:
Laura Primary School encourages staff & students to strive toward their full potential, achieve excellence in all areas of school and have confidence in their activities.

LAURA PRIMARY SCHOOL
SITE IMPROVEMENT PLAN OVERVIEW
2010 - 2012

SCHOOL PRIORITIES

LITERACY
Improve student outcomes in Literacy (specifically Spelling, Reading & Writing) through a whole school Literacy Approach so that:

- Students can apply their spelling in all writing activities
- Students are using skills and acquired knowledge in everyday writing
- 75% of all students have achieved Level 4 or above in the PAT Spelling test
- In Reading & Writing NAPLAN there is an increase in the number of students in the higher bands.

NUMERACY: Maintain high student outcomes throughout the school and implement the Australian Curriculum in Mathematics.

SCIENCE: Improve student outcomes throughout the school and implement Primary Connections and the Australian Science Curriculum.
### Priorities:
The two or three key areas for specific focus over the next 12 months, as determined from analysis of learner data and Self Review processes.

### Targets:
Agreed, specific targets that clearly indicate what improved outcomes learners will achieve or demonstrate.

### Strategies:
The major actions that staff – teachers, SSOs, leaders – commit to do so that learners are supported at classroom level to achieve the Targets.

### Evaluation Measures:
The data, evidence, processes and timelines to be used to monitor / measure / evaluate progress towards achievement of the Targets and/or effectiveness of Strategies.
