**FUNDRAISING**

Well done Fundraising Committee! Great fundraising profits have been made in the last couple of months. The Folk Fair BBQ stall made a profit of $2,001.32 and the Mother’s Day Stall made a profit of $89.42. Thank you to the parents who helped organise and work on both of these stalls. The money raised by parental efforts so far this year will go towards a new Flying Fox for the playground.

**NAPLAN**

One indicator of a successful team is its ability to manage and cope with change. This week there have been many changes to our normal routine due to NAPLAN testing and students. Teachers and SSO staff have worked together to successfully manage these changes. Students were well organised and positive in their approach to both the literacy and numeracy tests. Staff were supportive, encouraging and flexible in their approach to the week.

NAPLAN results for Year 3, 5 & 7s will be available later in the year.

It was wonderful to see parents and grandparents participate. Next week the second group of students will begin their preparations. If your date is unsuitable and you are unable to attend, please contact me so that I can swap your date for another day.

Café gives students skills in working together, leadership, and hospitality. It also introduces new parents to our school community and provides an opportunity for grandparents and invited community members (neighbours) to connect with our school.
