Dear Parents,

**Working Bee - Sunday 23rd March from 9am-12pm**

It looks as though the Working Bee is coming together for Sunday. When you come along, I will assign you to a job. Any garden implements will be handy. It might be worthwhile naming your implements as it is amazing how they all look the same when they are together. Items like pick, hoe, pruning shears, rake, shovel etc. will all be useful. For those bringing Sanders, would you mind bringing some sandpaper. A paint brush or two would also come in handy. Many hands make light work and with a bit of luck we can finish early and admire our work over a drink or two.

There will be a small amount of firewood that can be allocated out to those that would like to have some so bring something to put it in!

**Folk Fair**

There are very few things where the school asks for parental help and the Folk Fair is one of our major events for the year. Here is what we are asking from you and your family.

- Two hours or more of your time working on the BBQ on either Saturday or Sunday (or both)
- Cut up a bag of onions (1-2kg) and return to school in the week preceding the fair

A separate letter is being sent home outlining details.

**Parent – Teacher Discussions**

Parent Teacher Discussions are to be held during week 10. Attached to the newsletter is a separate letter outlining details that is to be filled in and returned by Wed 26th March 2014.

**Rocky River Sports Day – Friday 28th March**

Details of the event were sent home last week. Please return your permission slips by Friday if it is still outstanding.

**Young Leaders Day – Wednesday 26th March**

Our Year 6 & 7 students are going to Adelaide for the day for Young Leaders Day. This is a fantastic day for students to mix with other school leaders and hear some inspirational talks from young leaders and be involved in a number of leadership activities.
