Term 1 - looking back
With the end of term almost here some quick reflection is always useful just to see what has been accomplished and to help with planning for next term.
Quite a number of positive outcomes spring to mind, including:
• Rocky River Sports Day
• Swimming Lessons
• Purchase and use of new reading materials
• Reorganisation of Library to support the Accelerated Reader Program
• Implementation of Jolly Phonics in Junior Primary classes
• Parent Teacher Interviews during which considerable information was shared between teachers and parents that will be useful to support student learning
• Consistently good learning happening in all classrooms with students on task and producing a range of excellent work

Based on feedback from students, staff and parents and on my own experiences, I think that Term 1 has been productive and enjoyable, which is a real credit to everyone associated with LPS.

Term 2 - looking forward
Next term sees a range of activities happening such as: NAPLAN, Café on odd Fridays, a performance for Rocky River schools called “Ghana Beat My Drum” and a whole school History unit to name just a few. Whilst these activities have a high profile and attract interest, our day to day focus will remain on quality teaching and learning throughout the school.

End of Term Dismissal
Just a reminder that school dismisses at 2.25pm this Friday. School buses will depart school an hour earlier than usual.

I hope that the holiday break provides you with many great times with your child/ren – time that’s not always easy to have during term time.

All parents are invited to join us to look at old photos of local houses at 9am in the multipurpose room. Maybe we will find your place?
Grandparents are also welcome as they may be able to add to our discussions about who lived where and when.
Following our history Introduction we will have open classrooms from 9:30 to 10:00. During this time, all classes will demonstrate different aspects of our literacy program, from Jolly Phonics to Guided Reading Groups and Accelerated Reader. There will be more information early next term.
