Opinion surveys went home this week and we already have some returned. Whether you are happy with what we do or not, it is all useful feedback, especially as we continue our planning for 2016. So please keep them coming in, or go online to complete them. We have 41 families at Laura Primary School and I would like as many as possible to complete the survey.

“On Friday 30th October, we celebrate World Teachers’ Day. You are invited to get involved and say ‘thank you’ to a wonderful teacher at your school/pre-school. Visit the DECD website, download the ‘say thanks’ activity, colour and decorate the attached ‘owl’, write a message on the back about how your teacher has made a difference in your life and present it to them on World Teachers’ Day.” Our teachers are a committed, professional and friendly group of people who always have the students at the centre of any decision they make. We are very lucky to have such wonderful teachers to work with our children.

Have a great week

MASTERMIND 2015

Last week on the 23rd October, the Yr 5,6 & 7’s competed in Mastermind. We competed against other Rocky River Schools including Gladstone, Georgetown, St. Jo’s and Wirrabara. We did activities like crane building, performing skits that we practised and 5 rounds of 10 trivia questions. Overall we were placed into 2 teams, the first team was 4th and the second team was 3rd. It was a great experience for all of us! Written by Ayzia,
